

Materials needed:

Templates (above)  
Pencil  
Red, Pink, Black and White Construction Paper  
White Glue, Hole Punch, Scissors

How to make them:

Trace the face on pink construction paper and cut out.  
Trace the hat on red construction paper and cut out.  
Trace beard and hat trim on white paper and cut out.

Glue the hat trim on the hat.  
Glue the hat over top of the face.  
Glue the face at the top of the beard.

Punch out 1 white circle for the tip of the hat, glue in place.  
Punch out 2 black circles for his eyes, glue in place.  
Punch 1 red circle for his nose, glue in place.

Fringe Santa's beard by making cuts from the bottom of his beard to just below Santa's face.  
To curl strips, roll them around the pencil.  
Now your ready to glue Santa to your gift!

NOTE:

Write on it before you curl the beard, it's just easier that way
